

**RULES AND RECOMMENDATIONS FOR 2009 FIELD DAY SHOWS
(ADOPTED BY THE MD PDCA)**

- I.** Only animals recorded in the official herd registry of the national breed organizations may be shown at field days sponsored by the state breed organizations in cooperation with the Maryland Purebred Cattle Association. Animals entering the official herd registry through a national genetic recovery or up-grading program must meet the following guidelines to qualify for exhibition at a Field Day:
- A. Ayrshire: GR Prefix animals. (OA and PR prefix animals cannot be shown).**
 - B. Brown Swiss: IE & CIE Prefix animals (RF, ID & IDR prefix animals cannot be shown).**
 - C. Guernsey: GR Prefix animals (OA and PR prefix animals cannot be shown).**
 - D. Holstein: Minimum 87% Holstein ancestry as noted on registration.**
 - E. Jersey: GR prefix animals (J1, OA PR Prefix animals cannot be shown).**
 - F. Milking Shorthorn: base hair color red, white, or roan. (No other base color allowed.)**
 - G. Red & White: official Red & White registration paper.**

II. Maryland recognizes the following National Dairy Cattle Breed Organizations:

Breed	Address	Phone	Fax	E-mail	Website
Ayrshire Breeders Association	1224 Alton Creek Rd, Suite B, Columbus, OH 43228	614-335-0020	614-335-0023	info@usayrshire.com	http://www.usayrshire.com/
Brown Swiss Cattle Breeders Association;	800 Pleasant St Beloit, WI 53511-5456	608-365-4474	608-365-5577	info@brownswissusa.com	http://www.brownswissusa.com/
American Guernsey Association	7614 Slate Ridge Blvd. Reynoldsburg, Ohio 43068	614-864-2409	614-864-5614	info@usguernsey.com	http://www.usguernsey.com/

Red and White Cattle Association	3805 S Valley Crystal Spring, PA 15536	814-735-4221	814-735-3473	rwoca@frontiernet.net	http://www.redandwhitecattle.com/

Exhibitors should refer to National Breed Organization requirements for national recognition awards and leasing guidelines.

- III.** Animals can be shown only in classes for which their ages qualify them.
- IV.** Animals must be registered in the name of the exhibitor unless an animal is enrolled in the Maryland 4-H or National Breed Leasing Program and is exhibited by the lessor. The Leasing Agreement should be verified at the show. Registration certificates must be checked prior to the time of the showing of the first class by an official appointed by the show committee.
- V.** Exhibitors shall show in only one district as determined by the respective state breed organizations. Out-of-state exhibitors may participate in Field Day shows, but will not be entitled to receive premiums paid by the Maryland Ag Fair Board.
- VI.** Exhibitors shall file entries with designated person by specified deadlines as listed at end of this document.
- VII.** A premium will be paid by the state breed organization in cooperation with the Maryland Ag. Fair Board up to a maximum of 6 animals per eligible exhibitor (see **Rule VIII** for definition and determination of exhibitor). An Exhibitor shall receive premiums on a maximum of two animals per class.
- VIII.** At the discretion of the local Field Day committee, an exhibitor may be permitted to enter and show more than 6 animals. However, the examples listed below will be followed to determine the maximum number of animals eligible to be paid a premium.
- A.** Adults:
1. One person with cattle registered in that person's name. (Total of 6 animals).
 2. Two or more persons with cattle registered jointly in two or more names.
 3. Partnership or syndicate-owned animals must be entered and exhibited by the partnership or syndicate, not by the individual members. (Total of 6 animals).
- B.** Adults & Youth:
One or more adults, one or more youth who are sons or daughter operating one or more farms together and cattle are registered in each individual's name. Adults (total of 6 animals); Each Youth (total of 6 animals).
- IX.** Family or Herd Unit.
- When a herd is registered in the names of the immediate members of a family, these persons may combine entries as a Family or Herd Unit and be considered as one exhibitor or one breeder. In order to qualify as a Family or Herd Unit, all animals must be kept in the same herd.
- X.** The breeder of an animal will be as it is listed on the registration certificate. Family or Herd Unit may be considered as one breeder in the open show.
- XI.** Youth — Special recognition will be awarded to qualifying youth participating in field day shows in **Classes 1-7 and 10-18.**
- A.** Qualifying ages for youth shall be the same as determined by their respective breed associations as stated below:

1. **Ayrshire**: 8 – 21 years as of January 1st of the current year.
2. **Brown Swiss**: 8 – 19 years as of January 1st of the current year.
3. **Guernsey**: 8 – 21 years as of January 1st of the current year.
4. **Holstein**: 8 – 21 years as of January 1st of the current year.
5. **Jersey**: 8 years as of January 1st of the current year and cannot have passed their 21st birthday on the day of the show.
6. **Milking Shorthorn**: 8 – 21 years as of January 1st of the current year.
7. **Red & White**: 8 – 21 years as of January 1st of the current year.

B. All youth exhibitors may be members of 4-H/FFA, but must be members of their respective Maryland breed association from which they are exhibiting animals.

C. All animals exhibited must be the property of the youth exhibitor and must have been owned and registered in the name of the exhibitor on or before the date of the first show or by July 1st of the current year, whichever comes first. Youth enrolled in the Maryland 4-H or National Breed Dairy Leasing program must meet program qualifications. (Cows exhibited in a Leasing Program must have been leased as a heifer by the “Leasee”). Partnership arrangements are not eligible.

D. An animal must have been owned by and registered in the name of the youth exhibitor before the animal becomes 2 years of age to be eligible to show in the cow classes.

E. Every junior exhibitor must show their own animals. In case of illness, emergency or other circumstances, the exhibitor, parent or guardian must report the situation to the appropriate show chair prior to the show. If a substitute show person is approved, he or she must be the same age or younger than the exhibitor they are replacing.

F. Fitting & Showmanship classes for youth may be offered at Field Days. Age breaks may be adjusted by the show chairman based on entries. The following age breaks are suggested: Junior (8-10); Intermediate (11-15); Senior (16–21, except for Brown Swiss). No premium money is awarded for Showmanship Classes. Prizes may be presented at the discretion of the show committee.

XII. Ribbons will be awarded **to** the six high ranking animals in each class. In youth classes only, an honorable mention ribbon may be awarded beyond 6 places.

XIII. A current and approved Certificate of Veterinarian Inspection (CVI) form must be obtained from the Animal Health Section of the Maryland Department of Agriculture (MDA) and be in the exhibitor's possession at the show. **Check with MDA for current requirements:**
http://www.mda.state.md.us/animal_health/ **Maryland Department of Agriculture, 50 Harry S. Truman Parkway, Annapolis, MD 21401. (410)-841-5700**

XIV. The classification listed below has been officially adopted by the Maryland Purebred Dairy Cattle Association for Field Days sponsored by the state breed organizations in cooperation with the national organizations listed in Rule II. Premiums shall only be paid for animals in Classes 1-7 and 10-18. Any additions or deletions to this classification by local Field Day committees will not make an exhibitor eligible for more premiums.

- Class 1.** Spring Heifer Calf (born March 1, 2009 to April 30, 2009).
- Class 2.** Winter Heifer Calf (born December 1, 2008 to February 28, 2009).
- Class 3.** Fall Heifer Calf (born September 1, 2008 to November 30, 2008).
- Class 4.** Summer Yearling Heifer (born June 1, 2008 to August 31, 2008).
- Class 5.** Spring Yearling Heifer (born March 1, 2008 to May 31, 2008).
- Class 6.** Winter Yearling Heifer (born December 1, 2007 to February 28, 2008).
- Class 7.** Fall Yearling Heifer (born September 1, 2007 to November 30, 2007).
- Class 8.** Junior Champion Female; Reserve Junior Champion Female.
- Class 9.** Junior Best Three Females.
- Class 10.** Dry Cow, (must have calved at least once and lactation completed).
- Class 11.** Cow, Junior 2 years old (born March 1, 2007 to August 31, 2007).
- Class 12.** Cow, Senior 2 years old (born September 1, 2006 to February 28, 2007).
- Class 13.** Cow, Junior 3 years old (born March 1, 2006 to August 31, 2006).
- Class 14.** Cow, Senior 3 years old (born September 1, 2005 to February 29, 2006).
- Class 15.** Cow, 4 years old (born September 1, 2004 to August 31, 2005).
- Class 16.** Cow, 5 years old (born September 1, 2003 to August 31, 2004).
- Class 17.** Cow, 6 years old and over (born before September 1, 2003).
- Class 18.** Production – minimum production of 100,000 lbs of milk (Holsteins - 125,000 lbs of milk or 3,500 lbs of butterfat) - (See Rule XV).
- Class 19.** Senior Champion Female; Reserve Senior Champion Female.
- Class 20.** Grand Champion Female; Reserve Grand Champion Female.
- Class 21.** Best Three Females, Any Age.

Junior Champion Female (Winners of Classes 1, 2, 3, 4, 5, 6, and 7).

Senior Champion Female (Winners of Classes 10, 11, 12, 13, 14, 15, 16, 17, and 18).

XV. Cows exhibited in Class 18 must have DHI production data verified. Cows qualifying for this class may be shown in only one class. The exhibitor must decide which class the cow will be exhibited at the time registration papers are checked prior to the show.

XVI. The Maryland PDCA recommends the following two-group classes be held at each show:

Junior Best Three Females — Eligible animals must have been shown in classes 1-7.

Best Three Females, Any Age — Eligible animals must have been shown in classes 1-7 and 10-18.

All animals in the Best Three Females classes must have been bred and at least one be owned by the exhibitor. **The Maryland PDCA defines a “Breeder & Exhibitor” for the Best Three Female Classes as follows:** “All entries may be considered a single breeder and exhibitor where the herd is registered in the names of different family members, making up one herd unit.”

XVII. The dress code for Maryland P.D.C.A. Field Day Shows will be white on white with neck piece optional and no hats for the entire show, including group classes. It is the responsibility of the Show Chairperson or their designee *not* to allow animals to be shown if this dress code is not followed.

XVIII. Exhibitors must be a member of the respective Maryland breed organization with each breed organization responsible for enforcing this rule.

HEALTH REGULATIONS FOR LIVESTOCK EXHIBITED IN MARYLAND

GENERAL REQUIREMENTS

1. All Maryland entries must be accompanied by a Maryland Certification of Veterinary Inspection for Show Certificate. Exceptions to this are horses and poultry. See below for instructions on these animals. Have your accredited veterinarian fill in this form completely. The identification numbers, ages and breeds on the certificate must correspond with those used on the test chart submitted by your veterinarian. The certificate **MUST** be signed by your veterinarian, and forwarded to the Animal Health Section, Maryland Department of Agriculture, 50 Harry S. Truman Parkway, Annapolis, Maryland, 21401. Upon approval by this office, a copy will be returned to you. This approved copy **MUST** accompany animals to all shows and be presented to the MDA Animal Health Inspector prior to unloading. Approval of all entries for the first showing in Maryland will **EXTEND** through the Show or Fair season, providing that the status of the herd or animals does not change. **This paragraph only applies to Maryland Animals and those explained in 2. below.**
2. All out of State entries must be accompanied by a **Certificate of Veterinary Inspection** signed by an **accredited veterinarian** and approved by the **State Veterinarian of the state of origin**. These are also known as "interstate health certificates" and are usually valid for 30 days. However, unless there are changes in the health status or herd of origin or of the animals themselves, Maryland will consider them valid throughout the traditional show season.
3. All animals except certain poultry must be identified individually.
4. All animals will be inspected for general health upon presentation for admission. Those showing clinical signs of ANY contagious or infectious disease must be removed from the Show or Fair. In such cases the health certificate may be modified, suspended or revoked.
5. When immunization is recommended or required it must be done in conformity with standard procedures and practices consistent with the development of immunity **PRIOR** to Show or Fair.

CATTLE

In addition to General requirements, all cattle must be individually identified by eartag, tattoo or registration number.

Tuberculosis

1. Cattle originating in Maryland from herds not under quarantine or restriction, are not required to be tested for tuberculosis for Shows or Fairs in Maryland.
2. Animals that originate from herds in tuberculosis free States need no testing.
3. Animals from Tuberculosis Free Accredited herds need no testing.
4. Animals from herds in which all animals have tested negative within the past twelve (12) months need no testing.
5. All other animals six (6) months of age and over are to have a negative tuberculin test within sixty (60) days prior to the first Show or Fair. Status of herd and area must be shown on certificate.

Brucellosis

1. Cattle originating in Maryland from herds not under quarantine or restrictions are not required to be tested for brucellosis.
2. Animals that originate from herds in brucellosis free States need no testing.
3. Animals from Certified Brucellosis Free herds need no testing.
4. Animals from herds in which all animals have tested negative within the past twelve (12) months need no testing.
5. All other animals (except official vaccinates under twenty (20) months and animals under six (6) months of age) must be negative to an official brucellosis test within thirty days of the show. Steers are exempt from testing.

Immunizations

1. Respiratory complex to include bovine virus diarrhea (BVD) – Required. 2. Leptospirosis – Recommended.

The Purebred Dairy Cattle Association

Show Ring Code of Ethics

Adopted April 3, 2004

The showing of registered dairy cattle stimulates and sustains interest in the breeding of registered dairy cattle. It is also an important part of the promotion, merchandising and breeding program of many breeders. For these reasons, the Purebred Dairy Cattle Association (PDCA) believes that it is in the best interest of all breeders of registered dairy cattle to maintain a reputation of integrity in dairy cattle shows and to present a wholesome and progressive image of dairy cattle in the show ring.

PDCA endorses this Show Ring Code of Ethics for all dairy breed shows and pledges its full cooperative support for its enforcement to show management, show judges, and the national breed associations.

The application of this Code of Ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this Code of Ethics. Dairy cattle exhibitors shall, at all times, deport themselves with honesty and good sportsmanship.

It is recognized that there are certain practices in the proper care and management of dairy cattle that are necessary in the course of moving dairy cattle to and between shows that are advisable to keep them in a sound, healthy state so they might be presented in the show ring in a natural, normal condition. At all times, exhibition livestock shall be treated in a humane manner and in accordance with dairy quality assurance practices so as to protect the health, safety and welfare of the livestock and the consuming public. No person shall present for exhibition or exhibit an animal which he or she knows, or has reason to suspect, is affected with or has been exposed to a dangerously contagious or infectious disease, or illegal or non-approved use of drugs, medication and/or prohibited substance, or residue.

The position of the Purebred Dairy Cattle Association is that all animals presented for exhibition shall be in their natural conformation and structure, free of any alteration or modification by injection or internal or external administration of any substance or by any involvement in unethical fitting.

Grooming and Preparation

Dairy cattle exhibitions are conducted under standards for evaluating conformation established by the PDCA Unified Score Card (1994), with specific breed characteristics taken into consideration by the show judge. In this connection, animals will be groomed and prepared for the judge's evaluation in order to display the animal's natural contour, conformation, performance and mobility. Specifically:

1. External applications of cosmetics that affect only appearance may be used, including by way of example hoof polishes and false switches.
2. The maximum allowable length of naturally growing hair anywhere on the topline is not to exceed 1". Exhibitors will be required to comply with this rule before the animal is allowed to enter the ring.
3. Addition of foreign objects, including but not limited to hair or hair substitutes, cloth or fiber, to change the natural contour or appearance of the animal's body is prohibited.
4. Externally sealing the teat end with a preparation that does not harm the animal's skin is permissible. Natural teat placement will be given preference over artificially positioned teats,

Violations: False, Deceptive or Unacceptable Practices

These practices are violations of the Code of Ethics and will be reported to show management and may be reported to the respective national breed associations:

1. Misrepresenting the age and/or milking status of the animal for the class in which it is shown.
2. Treating the animal, particularly the udder, internally or externally:
 - a. with an irritant or counter-irritant,
 - b. using a device to artificially create or enhance the udder crease,
 - c. using other substances as detected by testing that causes changes in the udder to artificially improve the conformation.
 - d. plugging of teat canal with foreign substances.
3. Surgical or unethical insertion of any matter under the skin or into body cavities, performed to change the natural contour or appearance of the animal's body (e.g., administration of fluid via a stomach tube or other similar apparatus to fill the rumen), though not to preclude practices required, or involved in normal management.
4. Criticizing or interfering with the judge, show management or other exhibitors while in the show ring or other conduct detrimental to the breed or the show.
5. Challenging, threatening or interfering with an ethics committee appointed by show management to monitor the animals on exhibit on the show grounds.

Exhibitor Responsibility

The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter and/or absolutely responsible person (hereinafter referred to as "Exhibitor") for show management to obtain any specimens of urine, saliva, blood, milk, or other substances from the animal to be used in testing. Materials may also be collected by ultrasound and photographic methods and by direct examination of animal.

The act of entering an animal is the giving of consent by the owner, exhibitor, fitter and/or absolutely responsible person (the "Exhibitor") to have disciplinary action for violation of this Show Ring Code of Ethics taken by show management, the state in which the show occurs, and/or the national dairy breed association without recourse.

Show Ethics Committee

Each show should have an Ethics Committee. The make-up of this committee should include official breed representatives, representative(s) of show management (e.g., dairy cattle show superintendent, General Manager), the official show veterinarian, and Extension representative.

The Ethics Committee will be responsible for monitoring violations of the Show Ring Code of Ethics. The Ethics Committee will investigate the report of any violation and determine the accuracy of the allegation. The Ethics Committee will have the authority to inspect animals and related material to determine if violations have occurred.

Violations: Reporting and Investigation

Complaints of alleged violations can be reported to the breed superintendent, the show superintendent, show management, and/or the Ethics Committee.

Before An Animal is Shown

If the Ethics Committee suspects that a violation of the Show Ring Code of Ethics will occur if the animal is shown, and that violation is reasonably well established before the animal is shown, the Ethics Committee will submit a report to show management,

Show management will discuss the violation with the Exhibitor:

1. If, at the Exhibitor's discretion, the animal in question is not shown, no violation will have occurred,
2. If the Exhibitor wishes to challenge that a violation occurred, he/she/they will have opportunity to appeal to the Ethics Committee. If its decision is not changed, the Exhibitor will be denied opportunity to exhibit the animal in question.

During and After An Animal is Shown

All animals are subject to examination during judging. The judge and Ethics Committee are instructed to examine the top five (5) animals in each class closely for violations of the Show Ring Code of Ethics. When a violation may have occurred, a milkout may be called for. This call may be by breed association rule, or by request of an authorized representative of the national breed association, the judge, the Ethics Committee, or show management.

If an animal is exhibited and a violation of the Show Ring Code of Ethics is subsequently suspected, investigated, and determined to have occurred, the violation will be reported to the Ethics Committee and show management for action. The Exhibitor will be notified of the violation and the supporting evidence and invited to defend or explain the allegations.

Violations are subject to the disciplinary provisions of show management, the state in which the show occurs, and the national dairy breed association. Sanctions may include any one, or combination of the following:

forfeiture or return of awards, prizes, premiums or proceeds,

written letter of reprimand to the owner, exhibitor, fitter and/or absolutely responsible person (the "Exhibitor") disqualification of the exhibition livestock from an exhibition;

disqualification of the Exhibitor from the show-,

publication of offense.

Disqualification may include any or all shows and classes and may be for any number of years.

History: Adopted PDCA in March 1969, revised March 1971, February 1977, February 1981, February 1986, February, 1988, February 1989, February 1992, February, 1993, November 1995, April 2002; April 2004.

FIELD DAY INFORMATION

To help improve the Maryland Dairy Cattle Field Day activities, listed below is the person (name, address, telephone number, and fax number, if available) for each breed and the date that entries are due and show date.

BREED	CONTACT PERSON	DEADLINE/ Date of show
1. Ayrshire	Howard County MCE c/o Rick 3525-L Ellicott Mills Drive Ellicott City, MD 21043 Tel: (410) 313-1912 Fax: (410) 313-2712 Email: hodiak@umd.edu	July 1, 2009 / July 18, 2009
2. Brown Swiss	Bonnie Remsburg 7229 Holter Road Middletown, MD 21769 Tel: (301) 371-5498	July 1, 2009 / July 18, 2009
3. Guernsey	Donna Lobos 1309 Pecantree Ct. Crofton, MD 21114 Tel: 410-721-5527 Fax:	May 10, 2009 / May 23, 2009
4. Jersey	Marcia Molesworth 607 East Main Street Middletown, MD 21769 Tel: 301-371-4293	June 29, 2009 / July 11, 2009
5. Holsteins	Sam Smith 4030 Houcks Rd. Monkton, MD 21111	July 1, 2009 / July 20, 2009 Evening show
a. Central Show		
b. Eastern Shore	Cindy Moore 200 Moore Ln. Centreville, MD 21617 Tel: (410)798-2797	June 25, 2009 / July 13 , 2009
