PLAN OF STUDY

Must be completed and filed before registration for your third semester of course work. Do not include research credits.
MS students must complete the MS program columns. PhD students with a MS degree, complete both programs (completed MS work and proposed PhD plan of study). PhD students without MS degree, complete PhD program columns. PhD students must meet the MS coursework requirements either through completed MS degree and/or additional coursework during PhD program.

Student's Name:			**Degree:**	**Date:**						
MS Program [24 credit hours in graduate courses, no less than 12 must be earned in the major subject (ANSC and BIOM) and no less than 12 must be from courses numbered 600 or above]						**PhD Program**				
Course	Course Title	Semester	Credits	Grade		Course	Course Title	Semester	Credits	Grade
