

Name: _____

UID: _____

I hereby confirm that I would like to switch to the post-Fall 2015 curriculum for the _____ option. I have discussed this with my advisor, and this is the selection I would like to make.

I understand that I am responsible for completing all requirements for my new option, and confirm I have created a new course plan that accurately reflects how I will fulfill those requirements. I understand that once I make this change I cannot go back to the old curriculum.
