PLAN OF STUDY

Must be completed and filed before registration for your third semester of course work. **Do not include MS research credit in MS Program table, place in separate designated table.** MS students must complete the MS program columns. PhD students with a MS degree, complete both programs (completed MS work and proposed PhD plan of study). PhD students without MS degree, complete PhD program columns. PhD students must meet the MS coursework requirements either through completed MS degree and/or additional coursework during PhD program.

Student's	S Name:					Degree:	Date:			
MS Program [24 credit hours in graduate courses, no less than 12 must be earned in the major subject (6hs designated as ANSC) and no less than 12 must be from courses numbered ≥ 600]						PhD Program [Doctoral students are automatically registered for 6 hrs ANSC899) each Fall/Spring semester after passing the comprehensive exams. 12 hrs (two semesters) are required.]				
Course	Course Title	Semester	Credits	Grade	Course	Course Title		Semester	Credits	Grade
Total course credits (should be equal or greater than 24)					Total course	credits
